

# QUESTIONS

**OPENING QUESTIONS - Use these questions to connect with others in your group:**

What's the hardest you've ever worked for something?

**KEY POINTS – take a minute to review the key points from this weekend's message**

1. Jesus is the way, the truth, and the life of our entire being
2. Ways that make Jesus unique:
  - a. The atonement:
    - i. We're not saved by believing in ourselves. We're saved by believing in Jesus.
  - b. The Resurrection:
    - i. 11 of the 12 disciples died because of their faith in the resurrection. Without Jesus rising from the dead, we have no faith.
  - c. Grace:
    - i. Only Christianity teaches the unconditional love of God, with no strings attached and free of charge
3. All religions can't be equal because Jesus Christ is equal to no one

## RESPOND

Was there anything that stuck out to you about the message? Was there something that was hard, confusing, or something you really resonated with?

Have you had any experience with other religions? Were they positive? Negative?

Personally, what makes Christianity unique for you? In what ways has the truth revealed in Jesus Christ changed the way you live in life?

Have you ever felt like you were trying to earn your way to God? Or that God could never forgive you for something? What ended up making you feel otherwise?

## **APPLY**

How do you think we can better cultivate healthy dialogue around different religions? One that does not communicate a feeling of superiority while also maintaining the belief that Jesus is our truth?

## **PRAY**

Pray that we might become open, vulnerable, love people who have been hurt by the church, and that we might be witnesses to the reconciling power of God.
