RESPOND

Was there anything that stuck out to you about the message? Was there something that was hard, confusing, or something you really resonated with?

Do you know your spiritual gifts? If not, take some time either in this group or after to go to RG's website and take the assessment!

What comes to mind when you think about Jesus – God in human form – washing the feet of others on his last day? What does it show us about how we should act with others?

Look inward. When do you find it hard to serve? Where in your life do you tend to be the most selfish? Examine why that might be, and if that is a place in your life that might need some growth.

APPLY

Write down these things:

1. Your spiritual gifts
2. Your skills
3. Your passions

Review the lists, and brainstorm as a group ideas about where you can utilize all three when it comes to serving.
