

PAST MONTH

In Mid-July we held our first ever RiverGlen Youth Conference and had over 100 people in attendance! The week was a huge success all around with music from Prodigal Worship and sermons from Ken Lock, Jonathan Strohmusch, and Mike Orta. On Tuesday night of camp, we gave the opportunity for students to be baptized and 18 students responded to this invitation to say yes to Jesus for the first time! It was so clear that God was at work in this event and the lives of those who attended.

UPCOMING

This summer has been great so far, but we aren't done yet! High school & middle schoolers are invited to join us on August 4th for a grill out. Then, Student Takeover Weekend will be happening August 14th and 15th at both campuses! We plan to have students serving in every part of the weekend experience, including onstage and behind the scenes. We still have lots of fun summer events to come, so please check us out for our worship nights or dodgeball tournament! Feel free to reach out to garrett.johnston@riverglen.cc for more information.

STUDENT AMBASSADORS

Hi, my name is Eddie Sorenson and I am a junior at Kettle Moraine High School. I attend Unite and serve in a number of ways at RiverGlen. I serve on the worship team during weekend services once in a while, and I am also serving on the worship teams in both Unite and Edge. I also serve sometimes in the cafe, and I am on the tech team for the church. I feel that God has called on me to be a leader. I would like to become a worship pastor and I think that is the path that God wants me to go on. I also think that God wants me to get more involved in the middle school ministry. My involvement with RiverGlen has made me more inspired to tell more people about God's word and inspired me to better see what my future could look like in the church. I can't wait to see where my future in RiverGlen goes from here.
